Dear Members of CosInternational-

On behalf of the International Costumers' Guild, I extend our sincerest apologies for the recent experience you had with our Board of Directors.

The ICG is committed to bringing costumers together, and fostering educational and social costuming related events. Unfortunately, in this instance, we failed to create a welcoming environment for new and experienced costumers alike which is our goal.

We are currently examining our policies and procedures and will be making changes to ensure that our organization remains welcoming to all, and that inappropriate behavior is not tolerated.

I greatly appreciate your interest in joining the ICG, and I am sorry that we did not make you feel welcome. It is my sincere hope that you will consider joining us again at some point in the future, and you will be welcome to resubmit your petition for ICG affiliation if you decide to give us another chance. We wish you well in all of your costuming endeavors.

Kind regards,
Vicky Assarattanakul
